## Our Vision

---

Our Vision is to build strong partnership's and deliver materials that add lasting value. We are open to serve both domestic and International markets, and we welcome collaboration with anyone passionate about Quality, Reliability and Growth.

## Sneak Peek of Our Coverage

---

We specialize in supplying high quality materials for construction, design and landscaping Projects.

From premium Grouting sand and durable silica sand to decorative marble chips, glass chips, resin, and natural pebble stones we offer a versatile range of products to meet the diverse needs of our customers.

## Why us?

---

What sets us apart is our flexibility, transparency, and hands-on approach. We believe in doing business with integrity, offering fair pricing, reliable service and a promise to always deliver more than just material - we deliver Trust.

Whether you're a contractor, distributor, designer or DIY enthusiast, we're here to support your projects with dependable products and dedicated service. Let's build something strong together.

## POLISHED PEBBLES

*Bring a touch of elegance and timeless appeal to your indoor and outdoor spaces with our premium Polished Pebbles. Carefully sourced from nature and expertly polished to a smooth finish, these pebbles are ideal for landscaping, decorative features, water elements and interior design.*

*Transform ordinary spaces into statement areas with simple elegance of polished stones. Available in bulk or custom packaging.*

*Color Variant - White, Black, Smokey grey, Red, Light green, Dark green, Pink green, Mix, Fancy Onyx, Agate*

## SILICA SAND

*Looking for high quality silica sand for your project? We have you covered!!*

*Our premium grade silica sand is carefully sourced and processed to meet the diverse needs of industries and applications around the world. Available in multiple grain sizes, its perfect for use in glassmaking, construction, foundry casting, filtration, ceramics, and much more. Consistent quality, low impurities and reliable supply make it trusted choice across industries*

## APPLICATION

*Colored quartz sand usage for:*

*Epoxy flooring  
Wall cladding  
Tiles industries  
Terrazzo flooring  
Vase decoration  
Agate stone slabs  
Texture stone coating  
Color sand for Screed  
Color sand for grout  
Golf ground  
Landscaping  
Aquariums tank decoration  
Constructions  
Paint manufacturer  
Color manufacturer industries  
Children playground*

## PACKAGING

*Packing material :*

*1 Transparent polybag or  
2 Woven sackpp.*

*Our packing size:*

*[1] 20kg/50 bags in 1000 kg jumbo bags.  
[2] Customize Pouch packing available  
(0.5-kg/1-kg/2-kg/5-kg/10-kg)*

## GROUTING SAND

Grouting sand is specially graded, fine to medium-grain silica sand ideal for use in grouting applications. Engineered for optimal performance, it ensured maximum strength, stability, and durability in various construction and infrastructure projects. Sourced from high-purity deposits and processed to ensure uniformity, it provides excellent binding, minimal shrinkage, and reliable performance in both structural and aesthetic installations

### Our Quality:

Our colored silica sand is:

1. Uniform colored sand/grit
2. Precious surfaces finishing
3. Waterproof
4. Solventproofs
5. Premium segment high quality product.
- 6 UV stable.

### Application:

It is used for  
Epoxy flooring, Wall cladding, Tiles industry, Terrazzo flooring, Vase decorations, Agate stone slabs  
Texture stonecoating, Colored sand for screed, Colored sand for grout, Golf ground, Aquarium tank decorations  
Landscaping, Constructions, tiles joint, Parking Decks, Texture Coating, Terrazzo Flooring, Commercial Flooring System  
Industrial Flooring System, Aesthetic Floorings & Much more..

## WATERPROOF COLOR COATED FINE MESH GRIT AND SAND SPECIAL FOR GROUTING

# EPROXY RESIN AND HARDENER

Our premium Epoxy Resin and Hardener system is engineered to deliver high-performance bonding, coating, sealing, and casting solutions across multiple industries. Whether you're working with wood, metal, concrete, or composites, this two-part system ensures superior strength, clarity, and chemical resistance. Our epoxy resin and hardener system offers strong adhesion, bonding seamlessly with a wide variety of materials including wood, metal, glass, and concrete. It delivers a crystal-clear finish, making it an excellent choice for coatings and decorative applications where appearance matters.

## Quality Variants

### 1. Crystal Clear Epoxy Resin with Clear Hardener

Provides a completely transparent finish, ideal for high-clarity casting, art, and decorative applications.

### 2. Crystal Clear Epoxy Resin with Yellow Hardener

Offers excellent performance with a slight amber tint, commonly used in industrial and general-purpose applications where absolute clarity is not critical.

MIXING RATIO – 2:1
